

## RPC In-Club Competitions

The Regina Photo Club holds three In-Club competitions throughout the program year. Our new divisions are designed both to fit the varied levels within our membership as well as embracing the changes that digital photography has introduced to our craft. Ribbons and merit points are awarded for 1st, 2nd, 3rd and Honourable Mentions. Competition rules are available at meetings and on the club website.

## **"Exploring New Frontiers"**

*To boldly go where you have not gone before*

This year our theme will be "**EXPLORING NEW FRONTIERS**". Our goal is to encourage members to **try something new**. Let's experiment with different points of view, exposure, new technology, subject matter, creative expression – the sky is the limit. There are so many possibilities and challenges. Our intent is to encourage new ideas, concepts and inspiration to share with one another.

## **"People's Choice"**

The highly popular People's Choice will run again this year. Please bring a photograph or two to each meeting that showcases your efforts. The goal is not to compete with fellow members like our In-Club Competitions, but to appeal to fellow members on a "**Gee! I like that picture!**" The winning entries will be projected and voted upon to enable us to recognize the overall winning image for the year.
